In the tightest of sets Reading take a lucky early lead 4-0 after a lot of dodgy line calls and disregarding all rules of only one team member in the box at once. The valiant, much depleted, Southampton team managed to pull back one point to make it 4-2 but succumbed to a 6-2 defeat on home ground; crowning reading seniors kings of SEAL 2011.

### Novices:

#### 6doz 50m Seeding Round:

James Towle – 489

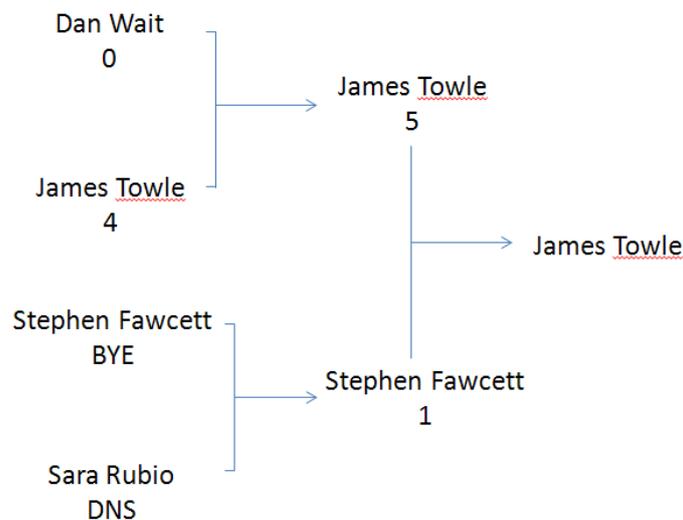

Stephen Fawcett – 433

Sara Rubio – 306

Dan Wait – 304

Dan Phillips – 123

#### Individual H2H Results:

James Towle is crowned Winner of the Novice Seal category, but not before being made to work for it by Stephen 'Tap-Man' Fawcett. An epic shootout takes 4 sets to decide the windy and rain soaked final. With only a cumulative total of 8 points separating the two archers in after the first 3 sets.
